Re: 037-15843-00006
First Administrative Amendment to
Part 70 037-6514-00006

Dear Mr. Geary:

Jasper Corporation was issued a Part 70 Operating permit on April 10, 2001. A letter requesting a change in Responsible Official and mailing address was received on April 8, 2002. The Permittee also notified the Office of Air Quality (OAQ) that the facility has temporarily closed as of March 31, 2002. OAQ only revised the permit for the Responsible Official and mailing change. Because of potential future changes in personnel and to avoid excessive administrative amendments, only job titles are being listed. Pursuant to the provisions of 326 IAC 2-7-11 the permit is hereby administratively amended:

(a) The Responsible Official and mailing address has been changed in Section A.1.

A.1 General Information [326 IAC 2-7-4(c)] [326 IAC 2-7-5(15)]
